Dear Hiring Manager:

I am reaching out to express my interest in the software development opportunities within your organization. As a self-taught MERN stack developer with a year of experience, I am excited about the prospect of contributing my skills and problem-solving mindset to your team.

Over the past year, I've completed one main projects, several mini projects strengthening my web development proficiency and refining my leadership qualities. I am drawn to opportunities that allow me to apply my passion for problem-solving and continuous improvement.

Thank you for considering my application. I am eager to learn more about the software development opportunities within your organization and discuss how my skills can contribute to your team.

Yours sincerely,

Aparna
